PITMAN, United States Magistrate Judge:

A conference having been held on this date at which I  
heard oral argument with respect to plaintiffs' application to  
compel defendants' counsel to produce their work product  
concerning their contact with non-party employees of defendants  
and for other relief, for the reasons stated on the record in  
open court, plaintiffs' application is denied in all respects

without prejudice to a renewed application based on admissible,  
non-hearsay evidence.
